Jade Huculak

Interior Architect + Furniture Designer

Email	hi@jadehuculak.design
Mobile	+32 475 40 28 61
Based in	Antwerp, Belgium
Instagram	jadehuculak.design

I am an Interior Architect and Furniture Designer who has recently graduated from Aalto University with a second master's and who has international experience across residential and hospitality projects. My work spans spatial design and product design, and I have experience in concept development, space planning, FF&E, technical drawing, 3D modelling, prototyping, and material research. I am drawn to the influence the designed environment has on the experience of its users.

ACADEMIC SKILLS

AutoCAD
Rhinoceros 3D
Adobe Creative Package
Modelmaking
Prototyping
ArchiCAD
SketchUp

PROFILE

Creative
Curious
Independent
Teamwork
Detailed
Reliable
Self-motivated
